Not sure if Carlie responded yet, but I've attached the contents of the ZIP file - a number of small PDFs

Can you please rename the zipped file and resend please? Zipped files don't make it through EPA's firewall.
Thanks.

Eugenia,

Please find attached the Quality Assurance Project Plan for the Multi-beam and Single-beam Bathymetric Survey in Newark Bay. The equipment specifications have been provided separately as a zip file because they are protected files and could not be combined. Please let us know if you have any questions as you complete your review.

Thanks,
Carlie

***** ATTACHMENT NOT DELIVERED *****

This Email message contained an attachment named
FSP Attachment A_Equipment Specifications.zip.zip which may be a computer program. This attached computer program could contain a computer virus which could cause harm to EPA's computers, network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced into the EPA network. EPA is deleting all computer program attachments sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you should contact the sender and request that they rename the file name extension and resend the Email with the renamed attachment. After receiving the revised Email, containing the renamed attachment, you can rename the file extension to its correct name.

For further information, please contact the EPA Call Center at
